

**Subject** Student Suicide Prevention Training for Teachers

**Authors** Richardson and others

**Analyst** Tim Strom

**Date** February 18, 2019

## Overview

H.F. 813, as amended, requires the Minnesota Department of Education to award a grant of \$480,000 to a nationally recognized provider of evidence-based training on suicide prevention.

The grant recipient must make the student suicide training and student mental health awareness available to teachers in every school district, charter school, intermediate school district or other cooperative unit, and tribal contract/grant school in Minnesota.

## Summary

Section	Description
1	<b>Suicide prevention training for teachers.</b> Appropriates \$480,000 in fiscal year 2020 from the general fund to the commissioner of education for a grant to provide teacher training on student suicide prevention.
